JOHN BAILEY HUDSON.

The Chronicle News of Trinidad, Colo., contains a long account of the history and death of John Bailey Hudson, a native of Aberdeen and a Civil War veteran. His death occurred Tuesday evening, July 13th, at the San Rafael Hospital, where he had been since July 6th suffering with a stroke of paralysis. His three sisters, Mrs. Ella Hudson Lewis, Miss Virginia Hudson and Mrs. Carr B. White were, at his bedside when he passed away.

The deceased was born March 1st, 1840, in Aberdeen, O. His grandmother was Susan Grant Hudson, a sister of Jesse R. Grant, the father of the noted General of the Rebellion. He was a member of Company H of the Twelfth Ohio Volunteer Infantry and served three years and three months.

The announcement of his death will be received with sincere sorrow by his few remaining schoolboy friends and comrades in arms in this city and Aberdeen, who remember him as a genial, high-toned gentleman and a true and warm friend.

THE Theatrical Trust has discovered, despite asseverations to the contrary, that the "one-night stand" Manager can detect the difference between silk and burlap.—The Open Door, Chicago.

How true. Now we hope that the theatrical syndicates and the "management" of our local theater will jointly understand that when a "burlap" show comes to Maysville we shall not have to pay "silk" prices. Maysville and Maysvillians are entitled to the best on the road. Let us have fewer shows and better shows the coming season, and let the so-called "repertoire" all-week barnstormers move on to other fields where the hayseed is indigent to rural whiskers and where any old show is considered the best because of their infrequency. And a show without music is like an egg without salt, as it were. We want a rollicking, harmonious orchestra to enliven the *entre acts*. A good show and good music is good enough for Maysville, but none too good.

For nervous, tired women, we recommend Cardui. Cardui is a woman's medicine. It acts specifically on the female organs and has a tonic, building effect on the whole system. It contains no harmful ingredients, being a pure vegetable extract. If you suffer from some form of female trouble, get Cardui at once and give it a fair trial.

MISS LLOYD AT RIPLEY

Thousands at Chautauqua Hear Noted Kentucky Woman—Captures Her Audience.

Equity Day was a success. Mark that down. If this Chautauqua had had no other feature than the appearance and the splendid address by Miss Alice Lloyd, it was worth more than can be measured by dollars and cents to have seen and heard her.

Whether you believe in her cause or not, whether you are or are not a tobacco grower, buyer, seller, field-hand, or what not, it was an occasion of unusual moment to have listened to that charming address.

In language of the purest English, with a polish and a presence that would have graced a queen, with a spirit and temper which told of a heart full of sympathy and a brain trained and equipped for a cause which she thoroughly believes in, she held that audience like a mighty magnet.

For the moment opposition was forgotten, the clash and clamor, the discord and disaster of the past rolled away seemingly. All unconscious of her power, she told with that simplicity, which is the very charm of eloquence, the story of her cause.

Mr. LeBus proved the masterful spirit which has won for him the chief place as executive of the order and other speakers added spice and variety to the occasion. But it was Miss Lloyd who carried away the honors.

Record Shipment From Memphis—Memphis Increasing Tremendously as a Shipping Point

In an interview with the Hesse-Ellis Drug Company, one of the largest firms of wholesalers in the Southern States, they stated that the demand for Q-Ban Hair Restorer and Q-Ban Hair Tonic was growing to unprecedented proportions. So great has the market become for these preparations that druggists are ordering of them in greater quantities than of any other preparations compounded for the same purpose.

The offer made by the compounders of Q-Ban Hair Restorer and Q-Ban Hair Tonic is unique. You can go to any druggist and buy packages of Q-Ban Hair Restorer, one at a time, and if after using the sixth bottle the color of your hair has not been changed to the color of youth, any druggist will give you an order on the manufacturers to refund to you your money. The Hair Tonic is intended for use by gray haired people, as well as those who are not. A daily application of the Hair Tonic will, it is said, positively increase the growth of the hair from three to six inches per year until the limit of growth has been reached.

The preparations will keep the hair in a perfectly healthy condition and will eradicate dandruff, stop falling hair, correct eczematous conditions, etc. No woman should be without a bottle of the Q-Ban Hair Tonic. Its use is a delightful habit. For sale at all druggists. Ask your druggist about the guarantee on Q-Ban Hair preparations.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it. For sale at all druggists.

PROPRIETARY MEDICINES PRESCRIBED BY DOCTORS.

Examination of the formulary departments of leading drugstores throughout the country has proved that a very large percentage of the prescriptions filled for doctors are for proprietary medicines. This is because the average doctor of today is unable to devise prescriptions equally as efficacious. Such standard remedies as Lydia E. Pinkham's Vegetable Compound are prescribed over and over again by fair-minded physicians throughout the country.

COX IN THE RACE

All Signs Point to His Nomination For Governor in 1911

A Frankfort dispatch to The Courier-Journal says:

"In the opinion of the wise ones in Frankfort and those who, from long observation of or actual participation in politics, know pretty well in what shape things are moving, Lieutenant Governor William H. Cox of Maysville will be the Republican nominee for Governor two years hence.

"The recent visit of the Lieutenant Governor to Frankfort seemed, for some reason, to solidify the sentiment that it had all been cut and dried and Governor Cox would lead his ticket.

"This does not mean that Governor Cox has had a walkover or that there were several men who pulled the strings. It means simply that Governor Cox, by his wisdom and fairness and ability, which were demonstrated each time that he acted as Governor, has become so popular with the people that he cannot be beaten. The party leaders in Kentucky concede now that Governor Cox will be the nominee, and it would not be surprising to see his name the only one presented to the convention which makes the nomination."

Beware of Quinines For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

SPRINGDALE.
 Mr. and Mrs. Albert Emmons visited relatives at Rectorville Saturday and Sunday and attended the Convention at Olivet.

Miss Leona Ryan, who has been ill at the home of her uncle, Mr. Rice Niggen, since March, was taken to Wilson Hospital Monday for surgical treatment.

Mr. Bernard Martin and sister, Miss Hattie, of Foxport, came down Sunday and accompanied Mr. and Mrs. P. T. Martin to the Sunday-school Convention at Rectorville.

The Sunday-school Convention at Olivet Sunday p. m. was largely attended, and was full of interest. Much good is hoped to be accomplished by these assemblies. The old Board of Officers was unanimously re-elected. President Thomas Dixon tried to resign, but his popularity was too great. The same can be said of the splendid Secretary, Mr. R. L. Cooper.

The Creamery business in Mason county is a comparatively new industry. Whether it is to be profitable one or not is yet to be determined. The farmers in this end of the county are optimistic regarding Crescent Creamery at Rectorville. Situated as it is, near a natural "Silver Fountain," amid beautiful fields of blue-grass, the report for June certainly supports this optimism, the amount of milk contributed being 94,790 pounds, producing 4,700 pounds of butter. The butter produced at this Creamery is already famous for its exquisite flavor, and the demand for it far exceeds the supply. There is a view abroad in the land that Creameries are not a success and that the establishment of each is with a view of "graft." Just why this pessimistic view exists is a mystery. The "Crescent" is not yet a year old, but so far, at least, is surely making good all promises.

The Ladies' Aid Society of the Central Presbyterian Church will serve icecream on the lawn of Mr. Charles Dobyns Tuesday evening. Price 15 cents.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:
 "Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
